

The Memphis community will have the opportunity to participate in a special event on behalf of the Berry children of Houston, Texas, who were left orphaned following a tragic car accident that took the lives of their parents, Robin and Joshua Berry. Two of the children are paralyzed and doctors believe will not walk again.

Robin was a sorority sister of mine at Tulane and was a breath of fresh air when she came to the Theta house. She was a true shining star who will never be forgotten.

Let's join other communities around the country and help out the Berry family who did so much good in their own community.

Let's show this wonderful family our love and support. Many in this community know the family, and this is a great way to help these precious children. Please come out and show your support this Sunday afternoon. We'll enjoy Mama's D's ICEE, Ricki's cookies, lemonade, face painting by DIMPLES, tattoos, and more!
