**RETHINK – Global Warming**

There is a consensus among weather scientists that if we don't reduce carbon dioxide emissions, *global warming* will cause major problems for everyone in the coming years. [Click here](#) to find more information on the greenhouse effect and global warming.

Individuals **CAN** have an impact. Click on either or both of the next two links to find ways **YOU** can help: "[Top 10 Things You Can Do To Reduce Global Warming](#)" and "[Top 12 Ways You Can Reduce Global Warming](#)."
