

Dear Jenny and the Mother Bear  
Knitters from Temple Israel  
Sisterhood,

Thank you for all 113 delightful  
little bears that arrived this  
afternoon! we will be sure to  
include them in our monthly  
bear packing on Monday.

It won't be long before they  
will be heading to Africa.  
I cannot thank this talented  
group enough for your talent  
and dedication. You have brought  
comfort to nearly 2,000 children!

I will continue sending photos  
your way as I spot your bears :)

Warmly,

Amy Berman
