

Temple Israel Welcomes New Members

Emily Schnell and Ryan Finkle

“We moved down to Memphis from the Northeast in March and so far really enjoy living in Memphis.

We are engaged and are busy planning a wedding that will be in Connecticut in October of 2010.

We are really happy we joined Temple Israel and look forward to becoming more active in the Jewish Community of Memphis!”

Ryan is a project manager for a general contracting company, and Emily is a substitute teacher looking for a full time teaching job.
