My my, how we love the story!
Megillah Mia, it's the show again
My my, Esther's night of glory!

Megillah Mia, here we go again
My my, how we love the story!
Megillah Mia, it's the show again
My my, Esther's night of glory!

Megillah Mia, it's the show again
My my, how we love the story!
MEGILLAH MIA!!!

All Y'all (Waterloo)

My my, at Shushan town that Haman did surrender!
Oh yeah, and we can eat our Hamentaschen here in shul today.
The scroll that we took from the shelf,
Is always repeating itself!

Mordechai, you were so brave when you saved the King!
Mordechai, promise to praise you for everything!
Esther, couldn't forget even if we tried!
Esther, you are so strong you can surely fly! Whoa oh oh oh!
Esther, you had the guidance of Mordechai.
Our heroes would not let us lose;
In Persia they saved all the Jews!

All y'all! Haman's defeated we won the war.
All y'all! Promise to praise you forever more. Whoa oh oh oh!
All y'all! Couldn't forget if we wanted to! Whoa oh oh oh!
All y'all! You were so brave when you saved the Jews. Whoa oh oh oh!
All y'all! We are just crazy for all of you! Whoa oh oh!
Purimspiel! This is the story we give to you!

Note from the Director:

Bringing this fabulous script, *Megillah Mia!* to life has truly been a labor of love. Our Temple is filled with many talented and unselfish individuals and clergy who have joined together to make this evening possible while helping our congregation fulfill one of the mitzvot of Purim, the telling of the story of Esther from the Megillah.

A special thank you to everyone who gave of themselves to bring this service to you. *Megillah Mia!* was a team effort, and I am honored to be a part of the team.

Thank you for coming tonight to celebrate Purim with us!
Please sit back and enjoy *Megillah Mia!*
