Dear Temple Israel Family,

This week, we are very excited to distribute a copy of *Simply Shabbat* CD, a brand new album of inspirational Shabbat melodies by our Artist in Residence Rick Recht, the top touring Jewish musician in the United States.

Rick and his wife, Elisa, joined me on two of our congregational trips to Israel in 2008 and 2007. The beautiful songs on this album were very much inspired by our journey and the deep friendships forged with everyone on these trips.

Temple Israel, in Rick's own words, is "my home away from home," and he wanted to make sure to make available this extraordinary gift of music to each and every Temple Israel congregant. One of the songs, "Holy Holy Holy" even features our own Temple Israel Teen Team!

Rick's aim is to distribute *Simply Shabbat* to every Rabbi and Cantor in the United States.

L'shalom,

Rabbi Micah D. Greenstein
