Sue Margulis!

My name is Sue (Susie) Margulis. I was born and raised in St. Louis at Share Emeth Temple. I came here in 1975 and left again in 1987. I moved to San Francisco and then Chicago.

When I was in Chicago my job brought me here, and then the company was sold. I ended up temping at International Paper until I had surgery and then after several months I became a Branch Office Administrator for Edward Jones and a weekend caregiver.

I love cooking for friends, children, books, music, and would love a buddy for movies or theatre.

I am glad to be "home!"
