

CHANUKAH 5772

Over the course of the eight days of Chanukah, we have provided a fun and educational way to celebrate the holiday. For each day, we have provided a video to scan, which will offer insights into the holiday, various ways to enhance one's observance, and inspire one to take action in our community. Whether you watch one each night or all at once, by yourself or with family, hopefully, this Chanukah each of us can find ways to connect more deeply to our Jewish identity.

CHANUKAH DINNER

Friday, December 23
after the 6:15 pm Shabbat service

Brisket and latkes and dreidels...oh my! It's that time of year again, when the oil in the frying pan is just the right temperature, and folks are preparing for another Festival of Lights.

So bring your menorah and candles to Temple Israel for the annual Chanukah dinner! A delicious Corky's feast of brisket, cole slaw, baked beans, and rolls—and chicken tenders for the kids—will be served. Oh, did we mention there would be latkes with the trimmings too?! And save room for donut holes for dessert. Yummy!

What would a Temple Chanukah dinner be without the dulcet tones of Cantor Kaplan leading a festive sing-a-long?! We won't have to find out, because Cantor Kaplan will lend us his tenor voice!

Please bring canned goods, especially high protein items such as tuna and peanut butter. They will be given to the Mid-South Food Bank.

The cost is \$12 per adult and \$6 per child (age 10 and under). There are several ways to make your dinner reservations: you may scan this QR code, go to timemphis.org, or call Sylvia Appleton at Temple at 761-3130.
