Welcome...

...to the Wonderful World of Kindergarten!

The new school year saw us off to a flying start.

We greeted all of our friends, both old and new, and explored all the great things in our room.

There were so many exciting things to try in all of the different centers.

Staying Busy & Having Fun!

September will find us practicing our letter, number, and writing skills. We'll be working on **Unit 1 of Reading Street**, "All Together Now" as well as our *Everyday Math* curriculum. Stories, poems, and activities in science, social studies, art, and writing will help us answer the question "**How do we live, work, and play together?**"

We'll also learn some weather words in Hebrew and begin our Alef-Bet books. Our special activities, including computer, library, creative movement, music, Shabbat, and singing with Cantor Kaplan, will also be a part of our busy week. *So, here we go!*

Looking ahead...
