

# Volunteers Needed for Temple Israel's Adopt-a-School!

Temple Israel's adopt-a-school is Wells Station Elementary School. Since 1994, volunteers from Temple Israel have helped students in this Title I Memphis City School.

Dedicated volunteers are needed to tutor and mentor students on a regular basis. Other opportunities also exist, such as proctoring TCAP tests or judging the schools' science fair.

Please contact Phyllis Niegelberg at 758-0427 or [jniegelb@comcast.net](mailto:jniegelb@comcast.net) for more information.
